Accomplished Realtor Donna Turing Named to Champion Hall of Fame

Annapolis, MD: Donna Turing, an agent with Champion Realty since 2002, was inducted into the Champion Hall of Fame for achieving \$50 million in settled Champion sales.

“Real estate is a great fit for me because I enjoy helping people through a complicated process and seeing that they get the best possible results,” Turing said. “This award is significant because it shows that I go the extra step. I’ve been fortunate to benefit from Champion’s excellent education, both by taking their training programs and developing classes I’ve taught to other agents.”

Before launching her real estate career, Turing was a seasoned commercial insurance agent specializing in property and casualty—a background that gives her a keen eye for contract details. She is proud of earning both the Graduate Realtor Institute (GRI) and Certified Residential Specialist (CRS) designations, top credentials in the field.

“Donna is the most knowledgeable, efficient, persistent, hard worker,” said Pat Savani, manager of the Champion Realty Annapolis office. “She’s great with investors, loving and gentle with first-time home buyers, and a wonderful instructor, too. She really knows her stuff.”

“Getting into the Champion Hall of Fame is just one more major accomplishment in Donna’s impressive professional life,” said Jon Coile, Champion’s president and CEO. “We are extremely proud of her and all that she does for her clients and the industry as a whole.”
